Dear Mr Agius

ExMC/434/INF, Call for nominations for consideration as IECEx Treasurer

In response to ExMC/434/INF, the AU National Committee of IECEx wishes to nominate Mr Ronald Collis of Rockwell Automation Australia Ltd for IECEx Treasurer.

Mr Collis has guided the Australian NC of IECEx for some 5 years.

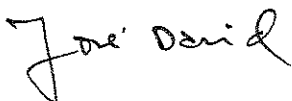

During that time Mr Collis served as the Australian Head of Delegation to the International IECEx meetings.

He is also a member of the newly formed IECEx Marks Committee.

He also has extensive financial expertise.

Attached is a copy of his Curriculum Vitae for consideration of this nomination by the ExMC during the 2008 IECEx meeting.

Yours sincerely,

A handwritten signature in dark ink, appearing to read "José David".

Ronald Collis

Curriculum Vitae

Mr Ronald Collis is both an electrical engineer and an instrument tradesperson and has worked with several companies in a number of countries around the world.

He has some 30 years experience in working with hazardous area equipment for the automobile manufacturing activities, along with oil and gas business. These activities have included financial management of projects under his control.

He is currently the Manager of Rockwell Automations Global Standards and Trade Group activities in Asia Pacific, which take in countries from Japan to New Zealand and across to India.

Mr Collis is also the ongoing Chairman of the Australian National Committee of the IECCAB, IECEE and IECEx schemes.

He is also on several Standards Australia management committees.

Mr Collis also participates on a number of International Electrotechnical Commission (IEC) Working Groups and routinely presents papers around the world in his capacity as IEC CAB member and on behalf of Standards Australia and Rockwell Automation.

He is a regular delegate to PASC (Pacific Area Standards Congress) and to APEC Seniors Officers Meeting.
