NOTICE OF IECEX ANNUAL MEETINGS
2021 - 2025

Dear Madam/Sir

Further to the announcements contained in ExMC/1592/Inf, advising of a revised Timetable for future IECEX annual meetings, this document provides information as at 15 September 2020.

While the 2021 IECEX annual meetings were planned for Japan, uncertainties associated with COVID-19 and the financial risks of needing to sign commitments with Venues well ahead of time, Japan have had no choice but to inform IECEX of their need to move their offer for hosting IECEX to another year, possibly 2025.

Therefore at this point in the time, the following timetable for future IECEX annual meetings is noted as follows:-

2021: (To Be Advised)
2022: Canada
2023: UK
2024: Brazil
2025: Japan

I extend our appreciation to TIIS, QPS as well as our UK and BR hosts for their on-going support for IECEX.

Kind regards

Chris Agius
IECEX Executive Secretary
