Subject : French comment to IECEX OD 001 – 02 Scheme Membership (ExMC\_1792DA item 8.1)

Dear Mr. Agius,

Considering that the scope of ExCBs and ExTLs is available on OD001, and the scope of facilities other than an IECEX Testing Laboratories (ExTL) is available on IECEX OD 024 Testing Register, the French national committee proposed that the scope of ATFs, including any restrictions or limitations comparing to the supervising ExTL, be available on OD001.

Best Regards,

**French National Committee (CCFIECEX)**  
on behalf of Marie-Elisabeth d'Ornano
