**1) Regulation and Brazilian Ordinance**

Till now we do not have any alterations in the Ordinance 115/2022 published by Inmetro, Brazilian Regulator and Accreditation Body.

**2) Advertising and marketing**

A material to publicize the IECEx System is also being prepared, with its certification schemes for equipment, services facility and persons. Other relevant information, such as the use of the IECEx brand, copyrights are also part of this disclosure material, as a way of harmonizing the understanding of the IECEx System and strengthening its application in Brazil and Latin America.

**3) IECEx Certificates evolution**

For Brazil, until August 16<sup>th</sup>, 2024, 31 Component Certificates, 182 Equipment Certificates, 201 ExTR, 166 QAR, 212 Personne Competence Certificates and PCAR, 2 Service Facility Certificates and 14 FAR were issued for Brazilian manufacturers. Brazilian ExCBs have already issued 19 Component Certificates, 20 Equipment Certificates, 1 ExTR, 65 QAR, 210 Personne Competence Certificates and PCAR, 2 Service Facility Certificates and 12 FAR.
